

# GRAND GALLERY BOOK

Introducing the Grand Gallery Fine Art Book - \*NEW for 2021\*  
This prodigious, 60 spread hardcover book perfectly curates your photographs as one luxurious, hand crafted statement.

Printed on a choice of fine art papers for high intensity colour, rich tones & light absorbing surfaces to retain sharp details - the Grand Gallery represents a unique legacy investment.

Available in a palette of six neutral textiles, covers can be personalised with UV print. The inside covers are meticulously faced in ecru or black to compliment your images.

The Grand Gallery Book can be designed in landscape or portrait format & measures 70 x 50cm (28 x 20").

## BOXED ART

Hand crafted to order from 100% vegan friendly materials, bespoke boxes offer a legacy quality presentation to protect & display your treasured photographic artworks.

Available in a wide range of styles, sizes, colours & finishes, boxes can be further personalised with cover detail & text.

### LUXE ALBUM -

Complete with high definition, edge-to-edge acrylic face on both box & album cover, this striking album features 800gms layflat pages in five print finishes across four sizes. With a low minimum spread requirement & optional, digital laden USB - it's a truly stunning display.

LUXE

### PHOTOBOOK PRO -

Featuring three 'mix & match' print finishes in three standard sizes, this premium book delivers colour fidelity over thick, flexi pages. With a higher minimum spread requirement, the PRO is perfect for natural backgrounds or low edit sessions. Optional USB available!

EXCLUSIVE

### MATTED PRINTS -

Hand mounted & backed in art grade card, matted prints are ready to frame providing a flexible presentation. Available in six sizes, six mount colours & three print finishes - boxed for five, ten or fifteen prints. Optional mini-easel, display ledge & matching USB!

\*please note matt colours cannot be combined

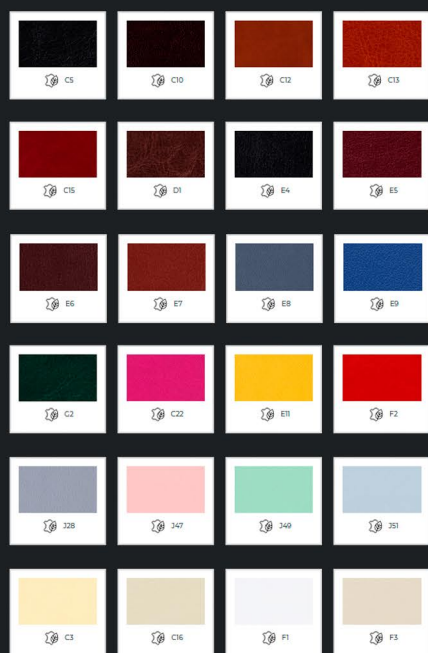

MATTED

## BOX & COVER OPTIONS

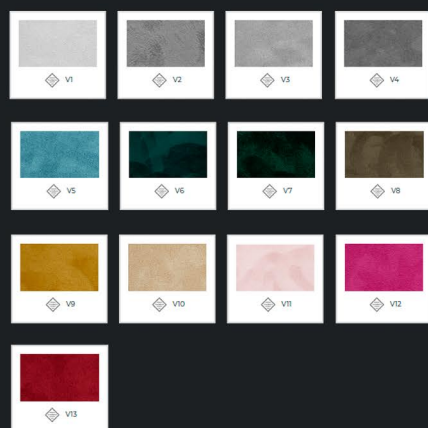

Available in three materials with a wide range of exterior & interior combinations & additional detailing\* your boxed presentations can be further customised to reflect your horse or dog's individuality!

Please note colours displayed on device screens appear slightly brighter than final products - this is called 'additive backlighting'.

### VELVET & FAUX SUEDE

### TEXTILE

EXTERIOR / INTERIOR

## W A L L   A R T

Printed by one of the most specialist labs in Europe to ensure consistent standards all wall art is hand checked & packaged by me - before being delivered to you!

Please note timescales for delivery are advised at point of order but may be subject to changes outwith my control.

### GICLÉE PRINTS -

Produced on Hahnemühle Fine Art Papers, these gallery quality prints use archival inks for outstanding colour fidelity & superior finish. Giclée offers a subtle, fine surface texture which gives portraits rich depth. Standard, custom & panoramic sizes - mounting & framing available.

### ACRYLIC PANELS -

High definition, contemporary, glass effect panels offer a striking edge-to-edge display. Available in eight sizes with optional fine grade stacked board & passe partout. Supplied ready to hang with relevant fixings offering a sharp, frame free modern option - \*NEW\* matte finish!

### MATTED PRINTS -

Available in single, unboxed format, matts sandwich prints between hand assembled fine grade art card back & mount. With a range of gallery papers & six colours across three standard sizes - they offer a beautiful professional finish that's ready to frame.

Please note prints cannot be removed from the matt!

## W A L L   A R T

Printed by specialist labs in both Scotland & Europe to ensure consistent standards all wall art is hand checked & packaged by me - before being delivered to you!

Please note timescales for delivery are advised at point of order but may be subject to changes outwith my control.

### ART FOAM -

Elegant & modern, art foam backed prints are perfect for making a cost effective statement. Printed directly onto 5mm high density surface, the lightweight material is ideal for large formats. With a wide tonal range & subtle silk finish, backed prints are supplied ready to hang & include fixings.

### POSTER PRO -

Printed on 265gsm silk papers, poster pro prints offer rich tonal gradation & deep colour saturation using UltraChrome HDR inks. Available up to 100cm in four ratios to create a striking display on any wall. Images are quality checked to ensure crisp definition & are supplied in a robust tube, ready to frame.

### CLASSIC -

Available in a wide range of sizes & finishes such as gloss, lustre, matte, pearl & velvet - classic prints use rich robust inks on standard weight papers creating the optimal balance between quality & cost. Perfect when you have too many favourites to choose from!
